### About Goodman Audio

Goodman Audio provides live sound reinforcement services for corporate and entertainment venues and events. Offering comprehensive sound design for events of all sizes, formats, and venues, we are distinguished by our reputation for extensive knowledge, innovation, and professionalism, and by our commitment to acquire quality people with positive and friendly attitudes. Because our clients consistently receive superior results for their events, Goodman Audio holds a position of industry credibility and customer loyalty, earning the trust of our clients since 1991.

Whether you are planning a small gathering or a multifaceted event for thousands, your audio needs will be met and exceeded by Goodman Audio. Your event's sound needs will be well-planned, creative, and flawlessly run by the Goodman Audio staff who understands the importance of providing you with a high-quality event. We remain focused on what our clients need for a successful event and then we make it happen.
